## Earth Day!

Earth Day is on Wednesday, April 22nd. Earth day is a global event which aims to highlight the importance of protecting the Environment. St. Anthony's will be doing community clean up on this day. Students can wear casual clothes.

During Holy Week, our Grade 2 students led an assembly with the assistance of the Grade 6 students. Together, they reenacted the Washing of the Feet, reminding our community of Jesus' call to serve one another with humility and love. On behalf of the staff and students, we wish you all a Happy Easter!

**Congratulations to the following students who through their good deeds were part of this Month's Fruit of the Spirit tree!**

Theo K. Harper V.  
 Jojo Z. Brody V.  
 Noelle V.

**Congratulations to Theo and Noelle for winning this month's draw!**

## Thank-you!

I would like to sincerely thank the entire St. Anthony's School community for your generous contributions toward the Church Beautification Project. Thanks to your support, we were able to raise a total of **\$2,574.15!**

This project would not have been possible without the enthusiasm, generosity, and community spirit shown by our students, staff, and families. We are truly grateful for your continued support and for the meaningful role you play in strengthening our school and parish community.

## Students making the most of the snow before it's gone!

## Congratulations to the following students who received their FoodSafe Level 1 Certificate!
