St. Anthony's Busing Registration 2026/2027

All students use the bus for school field trips and a signed registration form is needed for **each student**. Parents/Guardians **of all students** using bus transportation must complete this registration form. For those using the bus to get to or from school please complete the usage information. This is important in the event of an emergency or service suspension especially during the harsh winter weather or if we need to contact families quickly.

Catholic School Bus Transportation Information

1. Behavior of students: There is NO tolerance for misbehavior in any shape or form. Students must act in a manner that does not jeopardize their own safety or the safety of other students. At all times they must follow the bus rules and the directions of the bus driver, who is in full charge **or face disciplinary action which could include suspension or a ban from all use of the bus.**

2. The Motor Vehicle Act: A student is only allowed to bring backpacks & instrument cases onto the bus. The Motor Vehicle Act is very explicit about carrying luggage (ie. ski poles, toboggans, sleds, hockey sticks, skateboards, skates, scooters) onto the bus that will be a safety hazard to other students in the case of an accident. These items will only be allowed on the bus if stowed safely with the direction of the driver.

3. Be on time for pick up in the morning: Be certain that your children are at the bus stop on time, at least 5 minutes before the scheduled time. In case of delay, students should return home 15 minutes after the scheduled time. Parents must make provision for this type of situation. An attempt will be made to inform all regular bus users in the event of bus cancellation or other emergency situations.

I agree to support this code of conduct and bus rules.

CODE OF CONDUCT FOR BUS STUDENTS

Catholic Independent Schools is committed to school transportation that respects three core values: SAFETY, RESPECT and RESPONSIBILITY.

1. Students must:
   a) Follow the bus driver's direction the FIRST time they are given.
   b) Keep their hands, feet and objects to themselves.
   c) Stay in their seats unless directed to do otherwise.
   d) Talk quietly, using only appropriate language.
   e) Be at the bus stop five minutes before scheduled leave time.
   f) Not bully or intimidate others.

2. Students traveling to school without pre-purchase of a valid pass must report to the office to pay for the pass on reaching school.

3. Students wanting to disembark at a stop other than their regular stop must inform the driver when they board the bus.

Student behavior that contravenes these values or whose actions distract the bus driver, cause or have the potential to cause harm or discomfort to themselves or others, is subject to disciplinary action, which includes the following, not necessarily in this order:

a) An oral warning.

b) A written warning notice to be issued and signed by parent or guardian and returned by student to the bus driver before use of the bus can resume.

c) Suspension of bus privileges for two school days.

d) Suspension of bus privileges for five school days.

e) Travel suspended for an undetermined length of time or a ban (issued for repeated offences against the code of conduct, or for striking another person, fighting, vandalism, spitting, throwing objects out of bus windows, lighting matches or other flammable objects, inappropriate use of a laser pointer, inappropriate use of aerosol cans or pressurized containers, unauthorized use of emergency equipment, unauthorized exit through rear emergency door and other serious contraventions of the bus rules). When a student receives this type of suspension, the principal will contact the parents/guardians to arrange a meeting.
