Catholic Schools Week !!

Catholic Schools Week will be celebrated from February 2nd to 6th. This week will be filled with some very exciting activities and events more. Please stay tuned for more details.

Congratulations to the following students who through their good deeds were part of December's Fruit of the spirit tree!

Samuel N. Quinn S. Elizabeth M. Charlie M.

Braelynn S.

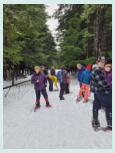
Congratulations to Elizabeth and Charlie on winning this month's DQ draw!

Dress for the weather!

Please send your children with proper out-door clothing . The children will play outside when it is WET and COLD so please dress them accordingly. Please make sure to send your child with their snow pants and mittens. It would be a good idea to pack an extra set of clothing such as socks and pants for the littles. Thank-you!

Grade 3 completed 8 weeks of swimming lessons. Thanks to Marlena Silveira and Brendon Niger for helping the students.

Mrs. Baker's Outdoor Ed Class had an amazing snowshoeing adventure!
Students explored the beautiful Kitimat River Provincial Park, taking in the winter scenery while completing a tree study along the way. A huge thank-you to Patricia Lange and the wonderful volunteers who joined the class and helped make the outing a success.



Thank-you!

Thank you to all the families who donated to the Kitimat Food Bank for their annual Christmas Appeal and to the Staff Cookie Drive. Your generosity helped many families throughout the Christmas season and brought joy into their lives. We are truly grateful for your kindness and support.

We extend our sincere gratitude to LNG Canada for their generous support in providing funding for resources at St. Anthony's School, including our UFLI program and Robotics Club. Your contribution plays a vital role in enhancing educational opportunities for our students.

Last weekend the afterschool robotics team participated in the First Lego League Challenge "Unearthed" tournament. The three teams that participated were WASPS, Building Good, and Coding Crakens with a total of 20 members. Each team has to do an innovation project and build a robot that is able to overcome certain different challenges on a mat.
The Coding Crakens won the Northern BC Qualifier Champion's Award (May, Matilda, Adalynne, Jessica, and Zeballis). The Building Good team won the Northern BC Qualifier Robot Performance Award (Jace, Albert, Parker, Shawnel, Mitchel, Weston, Gunnar).
